

USA PATRIOT ACT

Important Information About Opening A New Account And Member Identification Requirements

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

In accordance with Section 326 of the USA Patriot Act, applicants for new accounts are requested to provide current picture identification that verifies identity including name, address and other identifying information.

In some cases, identification will be requested for current members if original documentation was not obtained with the opening of the account. In all cases, protection of our members' identity and confidentiality is our pledge to you.

We proudly support all efforts to protect and maintain the security of our members and our country.
